## Data Sheet

<b>Product name:</b> Human Bone Marrow Derived Endothelial Complete Growth Media with Serum
---

**Catalog number:** M36095-24S

**Description:** Human Bone Marrow Derived Endothelial culture complete growth Media with fetal bovine Serum and Antibiotics: total volume of 500ml. This media is available in ready to use format. Media optimized for use with Human Bone Marrow Derived Endothelial Cultures. Each lot is qualified to support Human Bone Marrow Derived Endothelial growth and Proliferation. Formulated for use in a 5% CO<sub>2</sub> humidified incubator, and use in low O<sub>2</sub> environment: 5% O<sub>2</sub> in a controlled 37<sup>0</sup>C humidified incubator.

**Storage Conditions:** 2- 8 <sup>0</sup>C

**Tissue culture:** The Human Bone Marrow Derived Endothelial Cell Culture Media was tested and Optimized with Human Bone Marrow Derived Endothelial Cells in tissue culture. The Human Bone Marrow Derived Endothelial Cells were grown on Celprogen's Human Bone Marrow Derived Endothelial Cell Extra-cellular Matrix pre-coated flasks and Human Bone Marrow Derived Endothelial Cell Culture Complete Growth Media. This media was optimized on an Extracellular Matrix and Media combination Cell Culture system for up to 12 passages within 80 -120 population doublings. The media is formulated to be utilized in a 37<sup>0</sup>C humidified incubator with 5% CO<sub>2</sub>.

**Product Orders:** Before submitting an order you will be asked to read and accept the terms and conditions of Celprogen's Material Transfer Agreement (MTA).

**Permits & Forms:** In addition to the MTA mentioned above, other CELPROGEN and/or regulatory permits may be required for the transfer of this CELPROGEN material. Anyone purchasing CELPROGEN material is ultimately responsible for obtaining the permits for their country of origin.

**Notices & Disclaimers:** *CELPROGEN products are intended for laboratory research purposes only. They are not intended for use in humans.* Product established and manufactured by CELPROGEN Inc., for Research use only. This product is not for re-sale or may not be transferred to third party prior to written request and approval by CELPROGEN Inc.
