

STEM CELL RESEARCH & THERAPEUTICS

Directions:

Apply a small amount to your fingertips. Massage evenly in an upward circular motion to the face and an upward motion to the neck.

Use in the morning and at night directly on the skin after cleansing and before using other facial products.

For best results, apply **MerStem** daily moisturizing complex after **MerStem** cellular rejuvenation serum has been absorbed into the skin.

MerStem cellular rejuvenation serum helps to smooth the appearance of fine lines and wrinkles by replenishing your skin's natural supply of growth factors and proteins that can become depleted with age.

This powerful anti-aging serum works around the clock to restore life to your skin by stimulating your body's natural ability to replenish, amplify and, and heal.

MerStem cellular rejuvenation serum helps you look younger, healthier, and more radiant.

INGREDIENTS: Marine Algae derived Stem Cells Derived Conditioned Media, Purified Water, Glycerin.

CAUTION: Avoid exposing the product to sunlight and extreme temperatures. Store the product in a dry, cool, and dark location. Color and viscosity may vary due to high concentration of proteins and growth factors in the product. Stop use and consult with a doctor if irritation develops.
