## DATA SHEET

### Mouse T Cell Primary Cell Culture (derived from Skid Mouse) Complete Media with Serum

**Catalog number:** M11047-19S

**Description:** Mouse T Cell Primary Cell Culture (derived from Skid Mouse) Complete Growth Media with fetal bovine Serum and Antibiotics: total volume of 500ml. This media is available in ready to use format. Media is optimized for use with Mouse T Cell Primary Cell Culture. Each lot is qualified to support Mouse T Cell Primary Cell Culture growth and Proliferation. Formulated for use in a 5% CO<sub>2</sub> humidified incubator, and use in low O<sub>2</sub> environment: 5% O<sub>2</sub> in a controlled 37<sup>0</sup>C humidified incubator.

**Storage Conditions:** 2- 8 <sup>0</sup>C

**Tissue culture:** The Mouse T Cell Primary Cell Culture (derived from Skid Mouse) Complete Growth Media with Serum was tested and Optimized with Mouse T Cell Primary Cell Culture in tissue culture. The Mouse T Cell Primary Cell Culture (derived from Skid Mouse) was grown on Celprogen's Mouse T Cell Primary Cell Culture (derived from Skid Mouse) Extra-cellular Matrix pre-coated flasks and Mouse T Cell Primary Cell Culture Complete Growth Media with Serum. This media was optimized on Extra-cellular Matrix and Media combination Cell Culture system for up to 12 passages within 80-120 population doublings. This media is formulated to be utilized in a 37<sup>0</sup>C humidified incubator with 5% CO<sub>2</sub>. (Protocol is provided with the purchase of product)

**Product Orders:** Before submitting an order you will be asked to read and accept the terms and conditions of Celprogen's Material Transfer Agreement (MTA).

**Permits & Forms:** In addition to the MTA mentioned above, other CELPROGEN and/or regulatory permits may be required for the transfer of this CELPROGEN material. Anyone purchasing CELPROGEN material is ultimately responsible for obtaining the permits.

**Notices &  
Disclaimers:**

*CELPROGEN products are intended for laboratory research purposes only. They are not intended for use in humans.* The product, Mouse T Cell Primary Cell Culture (derived from Skid Mouse) Complete Media with Serum, is established and manufactured by CELPROGEN Inc., for Research use only. This product is not for re-sale or may not be transferred to a third party prior to written request and approval by CELPROGEN Inc.
