## DATA SHEET

### Human Amniotic Fluid/Membrane Stem Cell Serum Free Expansion Media

- Catalog number:** M36363-63E
- Description:** Human Amniotic Fluid/Membrane Stem Cell Serum Free Expansion Media with Antibiotics: Total Volume of 500ml. Media is available in ready to use format. This media is optimized for use with Human Amniotic Fluid/Membrane Stem Cell . Each lot is qualified to support Human Amniotic Fluid/Membrane Stem Cell expansion, growth and proliferation. Formulated for use in a 5% CO<sub>2</sub> humidified incubator, and use in low O<sub>2</sub> environment: 5% O<sub>2</sub> in a controlled 37<sup>0</sup>C humidified incubator.
- Storage Conditions:** 2- 8<sup>0</sup>C
- Tissue culture:** The Human Amniotic Fluid/Membrane Stem Cell Serum Free Expansion Media was tested and Optimized with Human Amniotic Fluid/Membrane Stem Cell in Tissue Culture. The Human Amniotic Fluid/Membrane Stem Cell were grown on Celprogen's Human Amniotic Fluid/Membrane Stem Cell Extra-cellular Matrix pre-coated flasks and Human Amniotic Fluid/Membrane Stem Cell Complete Expansion Media. This media was optimized on this Extra-cellular Matrix and Media combination Cell Culture system for up to 12 passages within 80-120 population doublings. The media is formulated to be utilized in a 37<sup>0</sup>C humidified incubator with 5% CO<sub>2</sub>. Note: Prior to using serum free media, the cells have to be weaned off their serum conditions. (Protocol is provided with the purchase of the product).
- Product Orders:** Before submitting an order you will be asked to read and accept the terms and conditions of Celprogen's Material Transfer Agreement (MTA).
- Permits & Forms:** In addition to the MTA mentioned above, other CELPROGEN and/or regulatory permits may be required for the transfer of this CELPROGEN material. Anyone purchasing CELPROGEN material is ultimately responsible for obtaining the permits.
- Notices & Disclaimers:** *CELPROGEN products are intended for laboratory research purposes only. They are not intended for use in humans.* The product Human Amniotic Fluid/Membrane Stem Cell Serum Free Expansion Media, is established and manufactured by CELPROGEN Inc., for Research Use Only. This product is not for re-sale or may not be transferred to a third party prior to written request and approval by CELPROGEN Inc.
