## DATA SHEET

### Human Fibroblast iPC (Lenti-virus) Complete Expansion Media with Serum

|                                   |   |
|-----------------------------------|---|
| <b>Catalog number:</b>            | M936041-03ES  |
| <b>Description:</b>               | Human Fibroblast iPC (Lenti-virus) Complete Expansion Media with fetal bovine Serum and Antibiotics: total volume of 500ml. This media is available in ready to use format. Media is optimized for use with Human Fibroblast iPC (Lenti-virus) . Each lot is qualified to support Human Fibroblast iPC (Lenti-virus) expansion, growth, and proliferation. Formulated for use in a 5% CO <sub>2</sub> humidified incubator, and use in low O <sub>2</sub> environment: 5% O <sub>2</sub> in a controlled 37 <sup>0</sup> C humidified incubator.  |
| <b>Storage Conditions:</b>        | 2- 8 <sup>0</sup> C   |
| <b>Tissue culture:</b>            | The Human Fibroblast iPC (Lenti-virus) Complete Expansion Media with Serum was tested and Optimized with Human Fibroblast iPC (Lenti-virus) in tissue culture. The Human Fibroblast iPC (Lenti-virus) was grown on Celprogen's Human Fibroblast iPC (Lenti-virus) Extra-cellular Matrix pre-coated flasks and Human Fibroblast iPC (Lenti-virus) Complete Expansion Media with Serum. This media was optimized on Extra-cellular Matrix and Media combination Cell Culture system for up to 12 passages within 80-120 population doublings. This media is formulated to be utilized in a 37 <sup>0</sup> C humidified incubator with 5% CO <sub>2</sub> . (Protocol is provided with the purchase of product) |
| <b>Product Orders:</b>            | Before submitting an order you will be asked to read and accept the terms and conditions of Celprogen's Material Transfer Agreement (MTA).  |
| <b>Permits &amp; Forms:</b>       | In addition to the MTA mentioned above, other CELPROGEN and/or regulatory permits may be required for the transfer of this CELPROGEN material. Anyone purchasing CELPROGEN material is ultimately responsible for obtaining the permits.  |
| <b>Notices &amp; Disclaimers:</b> | <i>CELPROGEN products are intended for laboratory research purposes only. They are not intended for use in humans.</i> The product, Human Fibroblast iPC (Lenti-virus) Complete Expansion Media with Serum, is established and manufactured by CELPROGEN Inc., for Research use only. This product is not for re-sale or may not be transferred to a third party prior to written request and approval by CELPROGEN Inc.  |
