## DATA SHEET

<b>Product name:</b>	Human T-Lymphocyte Cell Culture Phenol and Serum Free Media
----------------------	---

**Catalog number:** M33002-02PN

**Description:** Human T-Lymphocyte Cell Culture Phenol and Serum Free Media with Antibiotics: total volume of 500ml. This media is available in ready to use format. Media is optimized for use with Human T-Lymphocyte Cell Culture . Each lot is qualified to support Human T-Lymphocyte Cell Culture Growth and Proliferation. Formulated for use in a 5% CO<sub>2</sub> humidified incubator, and use in low O<sub>2</sub> environment: 5% O<sub>2</sub> in a controlled 37<sup>0</sup>C humidified incubator. Used for cell based assays, so phenol reagent would not interfere with endpoint colormatric readings.

**Storage Conditions:** 2- 8<sup>0</sup>C

**Tissue culture:** The Human T-Lymphocyte Cell Culture Phenol and Serum Free Media was tested and optimized with Human T-Lymphocyte Cell Culture in tissue culture. The Human T-Lymphocyte Cell Culture was grown on Celprogen's Human T-Lymphocyte Cell Culture Extra-cellular Matrix pre-coated flasks. This media was optimized on this Extra-cellular Matrix and Media combination Cell Culture system up to 12 passages within 80-120 population doublings in a 37<sup>0</sup>C humidified incubator with 5% CO<sub>2</sub>. Note: Prior to using serum free media, the cells have to be weaned off their serum conditions. (Protocol is provided with the purchase of product)

**Product Orders:** Before submitting an order you will be asked to read and accept the terms and conditions of Celprogen's Material Transfer Agreement (MTA).

**Permits & Forms:** In addition to the MTA mentioned above, other CELPROGEN and/or regulatory permits may be required for the transfer of this CELPROGEN material. Anyone purchasing CELPROGEN material is ultimately responsible for obtaining the permits.

**Notices & Disclaimers:** *CELPROGEN products are intended for laboratory research purposes only. They are not intended for use in humans.* The Product, Human T-Lymphocyte Cell Culture Phenol and Serum Free Media, is established and manufactured by CELPROGEN Inc., for Research use only. This product is not for re-sale or may not be transferred to third party prior to written request and approval by CELPROGEN Inc.
